All breakdown or preventive maintenance call should be attended within four hours from registration of call to service centre or respective service in charge.
3. Replacement of any part should be identical in specifications, make and model. No any deviation will be acceptable in specifications, make and model of spares replaced by the agency.
4. All breakdowns should be attended and rectified in four hours after received calls from IISER Pune. Tools, safety tools, special purpose tools, measuring instruments and labour required will be scope of agency and borne by the agency. IISER Pune will provide spare parts for replacement with faulty one.
5. During the preventive maintenance check-ups, the system will be cleaned and general performance will be checked by the agency.
6. Cost of all spares that are replaced in the UPS during AMC period will not be covered under non comprehensive annual maintenance contract.
7. Any internal fault of UPS or issue with safety should be attended by the agency within stipulated time period.
8. In case of any damages to the load due to malfunctioning of UPS systems, agency will be responsible for any damages and repair of UPS and load will be borne by the agency. Decision of Engineer in charge, IISER Pune will be final for any recovery or enforcing penalties to agency.
9. The rates quoted by the agency is for the services 24x7 coverage including all holidays, national holidays and night hours etc. No additional cost / charges will be paid separately for overtime, holiday work etc.
10. Agency may visit the site for quoting rates for the non-Comprehensive AMC of said UPS system.
11. After completion of AMC duration, IISER Pune reserved rights to extend the AMC without any deviation in rates and terms & condition of contract for new up to One year.
12. Duration of comprehensive maintenance contract will be Three (3) years.

- 13.No advance payment will be done in any circumstances to the agency. Payment will be release after successful completion of quarter and submission of invoice along with service reports.
- 14.IISER Pune reserves rights to terminate service of any UPS from existing AMC contract with prior to one-month notice to the agency.
- 15.Escalation matrix with contact no, email IDs, name and designation etc. should be submitted by the agency at commencement of AMC.
- 16.The following services are not included in the Comprehensive maintenance contract, any repairing or replacement work done on this will be executed separately by IISER Pune but during execution of such work, technical support should be made available by the CAMC agency.
 - a. DC backup source including cables.
 - b. External cabling for input and output connections.
 - c. Extra accessories required which is not in original system, i.e communication system, parallel operation etc.
 - d. Replacement of capacitors if age of the same exceeds more than five years.
 - e. Dismantling, transportation, loading, unloading, erection and reinstallation of the UPS and its battery.
 - f. Replacement of magnetic devices, if the age of the same exceeds more than seven years.
 - g. AMC does not cover any repair or replacement necessitated by loss or damage due to flood, earthquake, fire misuse, accident natural calamities.
 - h. All type of spare parts of UPS.
- 17.Any minor work related with UPS to keep in its healthy condition will be scope of agency.
- 18.In case of modular UPS, faulty module should be replaced with new identical one having same specifications, make and model. Agency will not have permission to repair module on local basis.
- 19.Before replacement of defective parts of UPS, approval should be taken from IISER Pune for specifications, make and model.
- 20.Brief scope of work –
 - a. To maintain UPS efficiently by scheduled and breakdown visits.
 - b. To monitor & reduce breakdown of UPS with close supervision and preventive maintenance as per OEM checklist provided in maintenance manual of UPS.
 - c. To attend emergency breakdown calls on priority within 4 hours with workable solution.

- d. Replacement of spare parts (excluding DC capacitors, batteries, magnetic), spare parts will be provided by IISER Pune. Defective parts will be property of IISER Pune.
- e. Correction / repairing of minor faults to avoid major breakdown.
- f. Carrying out proactive service of UPS in least downtime.
- g. Conducting training of maintenance staff for preventive maintenance and operation, once in year.
- h. To monitor & reduce breakdown by close supervision & preventive maintenance as per OEM checklist provide in maintenance manual.
